**QUICK START GUIDE: CHANGE THE FISCAL OFFICER (FO) FOR ONE ACCOUNT**

**Summary:** Fiscal Officers are the workflow approvers responsible for the daily oversight and approval of KFS financial transaction eDocs. They are assigned to all KFS Accounts and are responsible for checking financial transactions for accuracy. When a Fiscal Officer needs to be changed (per account, not globally), users will initiate the Account maintenance document.

KFS Organizations are responsible for the maintenance of Fiscal Officers on all accounts within their Organization. In the event a Fiscal Officer leaves or no longer oversees an account, Organizations will be responsible for ensuring that the FO is replaced in KFS before further items route to their Action List.
